CAMP KEHILLAH - SIDNEY R. BAER

the J DAY CAMPS
Discover the Spirit!

A LOOK BACK:

●The Wacky Wednesday this week was "When I Grow Up." A shout out to the only 2 counselors who dressed up, Baer brothers Shawn, who dressed as a mad scientist, and Brice, who dressed as a track star.
●The Sababa activity this week is Camp Olympics, which we moved inside because of the heat. Stations included 4-way soccer, an Olympic Kahoot (trivia), flag decorating, and Best in the World. In Best in the World, each team had to nominate a member to compete to be the best in challenges like fastest crab walk, farthest noodle javelin, funniest body building pose, most sit-ups in 30 seconds, and more.
●Mad Science came us on Friday before Shabbat and performed a show full of tricks and facts about the science behind sound.

A LOOK AHEAD:

●The Wacky Wednesday next week is "Decades." We can't wait to see some throw-back attire like poodle skirts, tie dye, bell bottoms, neon leotards, leg warmers, and more.
●The Sababa activities next week are Minute to Win It games and egg drop experiment.
●Dan O'Keefe, a former professional soccer player, will be here Monday-Thursday. Each group will have 2 opportunities to play soccer, do drills, and hear some corny jokes with Dan.
●On Friday, we will have our annual Israel Day camp-wide program. We look forward to our Schlicha, Yael, taking us on this jouney!
●Also on Friday, we welcome Juggling Jeff, who will do a performance before Shabbat.
●Even though the welcome email says bring a swimsuit, Camp Baer swims earlier than the other camps, so it's easier if your camper wears a swimsuit and brings a change of clothes.
