TRX
Suspension Training®

ViPR™ Training

Vitality, Performance and Reconditioning

- Bridges the gap between everyday movement and strength training
- Flip, tilt, drop, lift, roll, shift, carry or toss the ViPR for a complete body workout
- Experience a non-traditional, energetic form of training not seen anywhere else in St. Louis
- Improves stability, strength, coordination, power and endurance

BENEFITS OF SMALL GROUP TRAINING

- Improve in all areas of fitness – Physical Fitness, Cardiovascular Endurance, Cardiovascular Strength, Muscular Strength and Endurance, Flexibility, and Body Composition.
- Small Groups (5-10 people) led by certified personal trainer assure proper technique and individual attention in a fun and competitive environment.
- Easily modify workouts to make sessions as easy or hard as needed, but in a safe and controlled manner.
- Use of non-traditional training techniques not found on most general fitness classes (TRX, ViPR, CoreHammer, SRT Barbells, etc).
- High energy and high motivation workout sessions.
