See what Yoga class is right for you!

Choose a suitable level for your yoga skills as you start your practice or further your abilities. Yoga builds strength, boosts flexibility and increases balance through breathing techniques and postures.

Chair Yoga: This gentle/beginner's class is practiced while sitting on a chair or standing using a chair for support. It is intended for those with mobility issues and who are looking to improve their balance and increase range of motion.

Gentle Yoga: Build your foundation in this class which is also gentle enough to attend multiple times a week, should you choose. You'll learn the basic poses and how they are beneficial.

Hatha Yoga, Level 1-2: A beginner to intermediate class which introduces additional basic postures with some longer durations. You'll focus on proper breathing and movements and should leave class feeling longer, looser, and more relaxed.

Hatha Yoga, Level 2-3: You should leave this class feeling challenged as this intermediate to advanced level will continue your practice of mastering most basic yoga postures, as well as more dynamic and complex ones – may include arm balances, deep backbends and inversions.

Mindful Meditation/Restorative Yoga: Combination class that blends guided meditation with Restorative Yoga. Restorative teaches you to feel, rather than rushing through poses from breath to breath. It cultivates a powerful inner awareness. Class includes 5-10 postures, held for up to five minutes each.

Vinyasa Yoga, Level 1-2: This track of yoga introduces the idea of flowing between poses, while you work your cardiovascular system. You'll be introduced to smooth transitions as you link breath to movement at this beginner to intermediate level. Routines will vary regularly and should test you physically.

Vinyasa Yoga, Level 2-3: This intermediate to advanced class flows quickly between poses and may include more complex postures, such as arm balances, deep backbends, inversions and variations of shoulder stand. Intended for those with a regular vinyasa and pranayama (breathing) practice who are looking to further develop their practice.

Zumba: A fusion of Latin and International music; featuring aerobic/fitness interval training with fast and slow rhythms that tone and sculpt the body.

Zumba Step: This workout combines the toning and strengthening power of step aerobics with the fun dance moves of Zumba.
