History

Since 1985, the J Associates has worked to advance the Jewish Community Center through fundraising efforts for scholarships, programs, equipment and supplies. Touching all areas of the J from infants to the elderly, the J Associates has contributed to the Home-Delivered Meals Program, Theatre Unlimited for adults with special needs, and scholarships for children to participate in camp and early childhood programs. Just a few of the projects include lifesaving and life-enhancing equipment such as AEDs, aquatic wheelchairs and infant buggies. The J Associates emphasizes personal growth opportunities and leadership training among the many benefits offered to members. Most important is the camaraderie and friendships that are developed by working together on their many endeavors.

Programs

The J Associates is known throughout the community for their informative, creative and meaningful events. Programs range from museum and winery tours, gourmet cooking lessons and financial seminars to hiking the trails of Missouri's State Parks. The Annual Luncheon and Installation of Officers recognizes the efforts of J Associates' leaders and celebrates the accomplishments of the fundraising year by allocating dollars to the vital programs and services at the JCC. The lunch also recognizes the Mitzvah Star honorees. These unsung heroes volunteer their time and efforts and selflessly serve throughout the St. Louis community.

Fundraising

The J Associates hosts a variety of entertaining and successful events throughout the year where money is raised to support JCC programs. The Annual Gala, held each Spring, is highly anticipated throughout the community. This dinner, with changing themes and exciting entertainment, is a must on everyone's social calendar. Always a sell-out, the annual Summertime Brunch, Boutique and Bunches of Games combines good shopping, good food, camaraderie, and card games into one wonderful afternoon that helps raise dollars for JCC programs, equipment and scholarships. The J Associates plans to expand programs and fundraising activity to include even more special events.

Tributes

A beautifully illustrated Tribute Card is available for \$10, or 6 cards for \$36. It is a wonderful opportunity to acknowledge a special occasion such as marriage, bar/bat mitzvah, new baby or birthday, or to memorialize the loss of a loved one. Tributes also make great gifts.

Bess and Max Broder J Associates Tribute Fund

Created by the Broder family in memory of their parents, the Bess and Max Broder Tribute Fund allows J Associates to use the proceeds to aid all departments at the J. The Family is proud to be the first J Associates Endowment Fund.

Mission of the J Associates

The J Associates supports the St. Louis Jewish Community Center by promoting public awareness and fundraising through activities that foster camaraderie, develop leadership and inspire Jewish values.
