

Thank you!

On behalf of the our staff, board of directors, participants and their families, we greatly appreciate your support.

The Millstone Society is the lifeblood of program support at the Jewish Community Center. It is comprised of donors who give \$1,000 or more annually to programs. It is your generosity that allows us to offer more than \$500,000 in annual scholarships which shape the lives of over 70,000 children and adults served by J programs. Thank you for honoring I.E. Millstone's legacy of ensuring the continuity of programming at the J in serving our community and beyond.
