Our Mission

The J Associates, a women's auxiliary, supports the St. Louis Jewish Community Center by promoting public awareness and fundraising through activities that foster camaraderie, develop leadership and inspire Jewish values.

History

The J Associates began in 1985 as a small group of caring women who saw a need for volunteer help at the Jewish Community Center gift shop. The focus of the newly formed auxiliary group was to have a wonderful time through social activities, while inspiring Jewish values and raising money for the departments and programs of the J. This diverse group of women created a charter which has continued to grow over the years and currently is 500 plus members strong. Most importantly the J Associates fosters lifelong friendships and offers leadership opportunities while supporting the J through volunteering.

Fundraising

The women of the J Associates take pride in their fundraising efforts hosting an Annual Gala each spring. Since 2016 they have held Lip Sync Live at The Pageant, where community members put on a fabulous show. Over the years, the J Associates have been proud to allocate more than two million dollars to various departments of the J including: Cultural Arts, Adult Day at the J, Early Childhood, Inclusion, Day Camps, Camp Sabra and more.

Programming

The J Associates are known for their fun, creative, informative and entertaining programming events. Our Executive Board and General Board members are the driving force behind these programs, and committee participation often results in instant friendships.
