Youth Basketball Sponsorships

Tens of thousands of individuals of all ages and abilities depend on the programs and services we provide at the J each year. Prior to the pandemic, we typically served 80,000 people and provided more than \$550,000 in scholarship support annually. During the pandemic, we were still able to provide programs and services to more than 50,000 people throughout the St. Louis region, both in-person and virtually, and awarded more than \$225,000 in assistance for those with financial need.
