Guys love ***It's a Guy Thing!*** because it's a fun, Jewish space to hang out and meet new friends.

*"It is fun to learn about Jewish values in exciting ways and make new friends."*

*"It's nice to play sports, talk and hang out with these guys every month. The leaders are cool, and I always look forward to going."*

Parents love ***It's a Guy Thing!*** because it provides an opportunity for teens to think critically about relevant issues and explore what it means to be a Jewish man today.

*"You know it is an enjoyable program when your child ASKS to attend."*

*"I know from my son being in It's a Guy Thing! that no matter how right one's parents are about 'stuff,' some lessons are more happily and better learned from a cool adult who isn't one's parent or teacher."*

***It's a Guy Thing!*** is a program for teen boys to connect or re-connect with the Jewish community through guidance, friendship and fun. Participants hang out with each other and explore what it means to be a Jewish man today. The program will challenge teens to think about and talk about issues that they may not have the space to do elsewhere.
