Mission

The St. Louis Senior Olympics will promote, coordinate and support the health and wellness of men and women 50 years of age and older, by providing them with opportunities to participate in competitive and social events.

"I continue to participate in the St. Louis Senior Olympics for the fun of it! I especially enjoy the camaraderie, mutual support and team spirit that I have felt with many of the athletes I have met over the years. There is a special fellowship among the athletes of the Senior Olympics. All the athletes, no matter their age, celebrate physical activity through their many levels of ability, experience and knowledge."
