

Week 1 (June 5)

"Art through Time"

Campers will be sent back in time to explore the evolution of art. Inspired by major art movements in history, campers will create various products such as cave art and Ancient Egyptian papyrus! We will work our way forward until we hit modern day artwork.

Week 2 (June 12)

"Under the Sea"

Arts Camp will certainly make a splash this week! We will set sail to the waters where we will be creating pirate ships, underwater murals, and everything else you could find under the sea.

Week 3 (June 19)

"Create your Costume"

Hats, masks, and capes, oh my! For one week, campers will have the opportunity to become the designer! Campers will create everything from costumes to disguises. The main event will be our fashion show where campers will be able to show off all that they've created down the runway!

Week 4 (June 26)

"Around the World "

Around the world in five days, here we go! Campers will be exploring all four corners of the world through their artwork. Art projects will be inspired by different countries around the world.

Week 5 (July 3)

"Cook up Some Art"

Arts camp will be cooking up some art this week! Everyday items found in the kitchen will be transformed into pieces of artwork. To make things even sweeter, we will learn different frosting techniques and then decorate our own cupcakes. Sweet!

Week 6 (July 10)

"Art through Time"

Campers will be sent back in time to explore the evolution of art. Inspired by major art movements in history, campers will create various products such as cave art and Ancient Egyptian papyrus! We will work our way forward until we hit modern day artwork. This is not a repeat of week 1. We will be working on different projects this week

Week 7 (July 17)

"The Art of Nature"

Inspired by the beauty of the outdoors, campers will be heading outside to create a true masterpiece. Campers will explore the intersection of art and nature through hands-on

activities. Objects found outdoors will be the showstoppers! From leaf printing to rock painting, your child will be inspired all week long!

Week 8 (July 24)

"Blast off to Arts Camp"

Campers will be heading to outer space in Blast off to Arts Camp! Campers will create projects inspired by the galaxy, constellations, and planets. Projects will be out of this world!

Week 9 (July 31)

"Around the World "

Around the world in five days, here we go! Campers will be exploring all four corners of the world through their artwork. Art projects will be inspired by different countries around the world. This is not a repeat of week 4. We will be working on new projects this week.

Week 10 (August 7)

"Once upon a Time"

Once upon a time... there was a fantastic Arts camp! Campers will be the ones telling the story this week! Projects will include illustrating their own story book as well as a puppet show performance. Bravo!
