Marilyn Fox Building – Group Ex Class Descriptions

Booty Barre®: An energetic, fun workout that fuses fitness techniques from Dance, Pilates and Yoga to tone, define and chisel the whole body. It combines strength and flexibility with added cardio to burn fat fast.

Cardio Ballet Barre: High energy, low impact workout incorporates the principles of ballet barre, cardiovascular, balance, stretching and poise.

Cardio Pump: A low-intensity aerobic class combining strength and endurance, joint stability and mobility, balance and flexibility.

CORE 45 (also Core 30): Strengthen and stabilize your abs and lower back through intense exercises targeting the CORE! A great quick workout.

Cycle 40/20: Spend 40 minutes of upbeat, high-energy cycling followed by 20 minutes of stabilizing the core using lengthening exercises, strength training, stretching and balancing moves.

Early Express Circuit: Squeeze in a great total body workout in the early AM! You can jump into this circuit at any time for strength training and cardio intervals.

Express Sculpt: This 45-minute class provides the energy to get through the rest of the day and increases your strength and endurance.

Extreme Conditioning: An intense workout utilizing weights, targeting all major muscle groups. Incorporates cardiovascular exercises and plyometrics.

Flexible Strength: An Integrated, functional training class combining a variety of exercises that work on flexibility, core, balance, strength and power, focusing on multiple movement planes.

"Forever Fit": A low-intensity aerobic class giving you a great cardiovascular workout, which combines strength and endurance, joint stability/mobility and balance/flexibility.

Gentle Pilates: A gentle Pilates experience meant to attend everyday; ideal for students looking to begin their practice.

Gentle Yoga: A Yoga class gentle enough to attend everyday; ideal for students looking to begin their practice.

H.I.I.T.: High Intensity Interval Training utilizes a series of short, high-intensity intervals, followed up by longer, low-intensity intervals.

Insanity: An intense workout that combines cardio and building muscle.

Interval & Sculpt: A moderate intensity cardiovascular and strength class that will give you a great total body workout.

Kettlebell Cross Train: Teaches proper kettlebell techniques using natural momentum, proper posture and alignment. Also includes familiar resistance training techniques and equipment.

Lunch Box: A high intensity, 45 minutes class that challenges you with boxing, core work and high velocity endurance.

Physique Fusion: Strengthen and tone while lengthening the muscles with intervals of stretching. Light weights, floor work and the ballet barre are used to push your muscles.

Pilates: A progressive series of exercises designed to increase the strength of your body's core (abdominals, back, gluteus and hips) while lengthening the muscles. Classes are "multi-level" unless noted.

Power (and Core) Yoga: A vigorous, fitness based approach to Vinyasa-style flow yoga, enhances strength, flexibility and stamina. Intermediate level or higher or for a physically fit beginner seeking new challenges. *Power and Core Yoga* adds a little more core focus to your workout.

Pure Definition: A total body workout utilizing dumbbells, body bars and stability balls. Appropriate for all fitness levels and leads to improved strength and muscular tone for a lean and sculpted body.

Sculpting: Group training that utilizes dumbbells, body bars and other strength training equipment. Class rotates monthly between strength, power and endurance formats, avoiding plateaus and maximizing results.

Stretch and Roll: Utilizes a foam roller to combine Yoga and Pilates movements to improve flexibility, balance and core strength; and movements from myofascial release therapy targeting trigger points to soothe and release tight muscles.

Step: This choreographed step class includes dance moves! Improving cardiovascular endurance, balance and coordination.

Total Conditioning: This class combines anaerobic activity with plyometric and calisthenics drills for a challenging cardio option.

Turbo Kick: An energizing, cardio kickboxing interval class; includes intensity drills and energy sprints followed by work recovery segments.

Turbo Tabata: High-intense, interval training; 20 seconds of cardio followed by a 10-second rest period (eight times). Increases endurance and metabolism, while decreasing body fat. Suitable for all fitness levels.

Yoga: Build strength, flexibility and balance through a combination of breathing techniques and postures. All classes are "multi-level" unless noted; instructors will determine level of class.

ZUMBA: The routines feature aerobic/fitness interval training with a combination of fast and slow rhythms that tone and sculpt the body. It is a mixture of body sculpting movements with easy to follow dance steps.

Aquatic Classes

Aqua Flow: A series of specially designed exercises which, with the aid of the water's buoyancy and resistance, can help improve joint flexibility.

Aqua Power: This is a high intensity, multi-discipline workout in the lap pool. Participants must be comfortable in all depths of the pool.

Aqua Power Deep: High intensity, no impact water resistance training that improves muscle tone, flexibility strength and endurance with the use of flotation belts; class held in deep water.

Master Swim: Class is a nationally recognized program designed for the fitness and competitive swimmer. The class provides an on deck coach who will write workouts and provide feedback and instruction.

Strength & Flexibility: Improve balance, flexibility, strengthen muscles, increase mobility and improve overall well-being.
