- Assist in researching, developing and implementing activities focused to benefit participants cognitively, socially, recreationally, physically, and will assist with independent skills development, both for large and small groups of participants
- Complete all daily documentation and data collection to record observations on assigned participants to maintain compliance with licensure and contracts: i.e. Department of Mental Health and Department of Health and Senior Services
- Facilitate individual accommodations necessary to assist individuals to fully participate in activities.
- Facilitate physical location transitions or sensory breaks between activities (on and offsite) as needed
- Appropriately intervene in all crisis situations related to behavior or health as needed
- Work cooperatively with the Adult Day Center multi-disciplinary team to enhance offered programs
- Observe participant behavior, assess its appropriateness, and apply appropriate behavior management techniques
- Monitor accuracy of participant name tags daily and weekly maintenance of the Wander Guards
- Assist participants in mobility, personal care and with serving and cleaning up food during meal times
- Assist participants with activities of daily living including toileting
- Care for the physical and emotional well being of every Adult Day Center participant at all times
- Recognize and respond to opportunities for problem solving.
- Enforce appropriate safety regulations and emergency procedures.
- Greet family members as they arrive to drop off/pick up participants
- Provide quality customer service at all times, and represent the JCC and Adult Day Center in a positive and professional manner

- Attend staff meetings, training sessions and assist with agency events and programs as requested
- Provide backup coverage to Adult Day Center programs as needed
- Adhere to Social Work Code of Ethics, HIPAA and confidentiality guidelines at all times.
- Other duties as assigned. These are not the only duties to be performed. Some duties may be reassigned and other duties may be assigned as required

Qualifications:

- High School diploma or GED is required; related Associates or Bachelor's degree is preferred
- 1+ year(s) of experience working with relative population individuals with developmental/intellectual disabilities required
- Working knowledge of medical conditions and diagnoses common among elderly and disabled populations is a plus
