

FREE GERIATRIC SCREENING

Wednesday, June 29, 2016 | 1 – 3 p.m.
Jewish Community Center
2 Millstone Campus Drive | St. Louis, MO 63146

Saint Louis University's Geriatric Education Center (GEC) and the Alzheimer's Association St. Louis Chapter are offering a free Geriatric Screening for anyone age 65 years or older.

The Geriatric Screening will include assessment of:

- Frailty
- Nutrition
- Cognitive Function

Participants who screen positive are given a list of specific interventions they can start right away and their results to share with their primary care provider. If they do not have a primary care provider we offer a list of local resources.

If you or a family member is interested in participating in this screening, please contact Meghan McCarthy at mmccarthy@alz.org or 800.272.3900 and include the following information:

- Individual's name and your name if you are emailing/phoning on behalf of a family member
- Email and/or Mailing Address
- Telephone Number
- Individual's age
- Preferred appointment time

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U1QHP28716 Geriatrics Workforce Enhancement Program for \$843,079.
