

Please Support the J!

Your support changes lives by helping us meet the very real needs of our community.

- Hot meals delivered to homebound seniors
- Scholarship assistance so children from low-income families can experience Day Camp or the Early Childhood Center
- Financial and physical assistance allowing people with disabilities to participate in performing arts or physical fitness activities
- Respite for exhausted caregivers through our award-winning Adult Day Center

These are actual examples of the life-changing gifts the proceeds from the J'la will provide!

Thank you to our Sponsors!
