

DRIVE-IN ADDITIONAL INFORMATION AND GUIDELINES

We have kept everyone's safety and well-being in mind while planning this event. We absolutely want everyone to have fun! We would not normally provide guidelines such as these, but we ask that you please follow them so that we are able to maintain a smooth, safe, healthy and enjoyable event for everyone during this unusual time. *Only one vehicle per invite is permitted due to limited spacing for social distancing procedures.*

PRE-FILM

We will provide one snack sack for two, per vehicle RSVP. It will include two waters, popcorn and a treat. Feel free to bring your own snacks and drinks for any additional passengers or needs. We encourage you to bring cards or other small games to play if you arrive early. The program will begin at 8:40pm.

PARKING

- No Self-Parking – We will be following social distancing protocols approved by the county. Vehicles will be spaced one empty space apart. We will have parking attendants on site to assist.
- You Must Remain in Your Vehicle – Unfortunately we cannot allow chairs or tables to be set up, any congregating with friends or visiting with others outside of your vehicle. Everyone must remain in their vehicle except to use the restrooms.
- For the best viewing experience please arrive early. Spaces are first come-first served. We will do our best to park vehicles with size and height in mind. Please follow the parking attendants as we try to make this an enjoyable experience for everyone! Parking spaces are not guaranteed.*
- *If you need an accessible parking space please indicate this in your RSVP.
- Upon parking, please turn vehicle off, place ignition into auxiliary, and turn off any exterior lights.
- (i.e., headlights/taillights)
- Roll windows down, tune your radio into the FM station noted at the event, recline your seat, and enjoy the evening air.
- Once the movie has finished please exit slowly and safely from the lot, Parking attendants will be helping to direct traffic flow. There will be a lot of people leaving at once so please be patient.
- The lot lights will be off during the movie, so if you need to exit early, please exit slowly and safely and be mindful of anyone who may be navigating through the lot to use the restroom.

RESTROOMS

- We respectfully request that a mask be worn when using the restroom.
- Restrooms are located at the pavilion building to the left of the movie screen.
- Restrooms will be limited to two people inside at a time and a line will be formed, if necessary, with spaces marked six feet apart. There will be an attendant present to direct everyone.
- Please do not congregate in restroom area for visiting purposes.

Please follow all guidelines for everyone's health and safety

SNACK SACKS

- One snack sack for two is provided per RSVP'd vehicle.
- Upon entering the J campus on Millstone Campus Drive, follow directional signs to the Arts & Education Building entrance for your snack sack.
- We ask that you pick up the snack sack in your vehicle. No walk-ups please in order to remain within the approved safety plan.
- Snack Sacks will be prepared in our catering kitchen with the proper PPE. Please let the representative know the name that you RSVP'd under to receive your snack sack. The snack sack will be handed over on a tray by a representative in PPE so there is no hand-to-hand contact. Please take the bag and proceed through the lot towards the day camp pavilion parking lot and parking attendants will help you get into place to enjoy the movie!

FAQ's

Q: How will we hear the movie?

A: Audio will come through an FM radio frequency. There will be signage at the event with the correct station.

Q: Will there be security on site?

A: Yes

Q: Is this rain or shine?

A: No, the equipment is sensitive and must remain dry. However, we do have a make-up date of Thursday, June 4 at the same time. You will receive further information should we have to utilize the make-up date.

Q: How do I run the radio if my car is off?

A: With your vehicle is off, you should be able to turn on your radio with the ignition in the auxiliary position. This should allow your radio and similar items (i.e. USB ports) to run without killing your battery.

Q: What if I don't have a radio in my car?

A: You may also utilize a battery-operated radio with an FM tuner if you prefer. However, there should be enough volume from other vehicles and their speakers to hear the movie.

Q: What if my car battery dies and will not start after the event?

A: Security on site will have a battery jump adapter to get you running again! A waiver will need to be signed before service is performed.

Q: Are we able to speak to the people parked in spaces near us, out of our windows or sunroof?

A: Of course. We just ask that you remain physically inside your vehicles to follow social distancing and approved safety protocols. Once the movie starts, sit back and enjoy the show!
