## Author's Alley – The Festival Bookstore

Located in the J's Arts & Education Building Beit Midrash, off the main lobby. Featuring all the authors' latest titles as well as books by other local Jewish authors, too! The bookstore opens 30 minutes prior to each in-person event. It closes during presentations but opens immediately afterwards so you may purchase your book and get it signed!

For events taking place in the Edison Gymnasium, only the presenting author's book will be sold. The bookstore will be closed.

Purchase three or more regularly-priced books at one time and save 10%. Visit [stljewishbookfestival.org](http://stljewishbookfestival.org) to preorder books.

Can't be here? Order a personalized, autographed book from the authors of your choice. Call 314.442.3299 to arrange for signed books.
