The J's ECC is open to the public. Non-member rates are an additional \$90/month.

All listed rates are monthly and represent a 5 day per week schedule for members of the J. Partial week and flexible schedules are available depending on classroom availability and at the director's discretion. Upon enrollment, fees are posted to the member account monthly.

Rates are based on the number of days the Early Childhood Center (ECC) is open per year. The number of days attended may vary due to child sickness or scheduled closings, including secular holidays, Jewish holidays, inclement weather, professional development closings, or any other closing. Families are required to pay their full tuition regardless of the number of days actually attended.

All families are required to pay by ACH or an automatic charge to credit card. (MasterCard, Visa, American Express, or Discover)

Payments by credit card will occur an additional 3% charge.
