

NJT is live theatre dedicated to the exploration of universal themes and issues filtered through a lens of the Jewish experience. We use our productions to enrich lives, promote inclusivity, and build community. NJT's 2025 season was honored with 31 nominations from the St. Louis Theatre Circle Awards.

As one of St. Louis's most honored small professional theatres, NJT reaches more than 6,500 patrons each year with award-winning stories that lift the spirit, foster empathy, and unite our community.

Featuring three regional premieres, the 2026 season offers a dynamic collection of stories that challenge, amuse, provoke, and unite us in what it means to be human.

Prayer for the French Republic (April 16 – May 3), ***God of Carnage*** (June 11 – 28),
JOB (August 6 – 23), ***Alex Edelman's Just For Us*** (October 1 – 18), ***She Loves Me*** (December 3 – 20)
